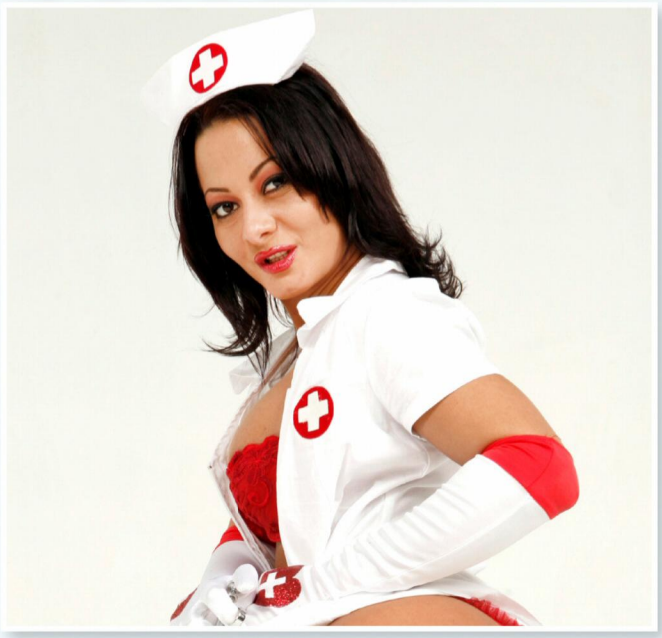
NYMPHO NURSES

"I can make a patient without disturbing the bed" is the proud slogan of these horny hospital honeys



As a professional nurse I think that any virile guy, young or old, who is recovering from a minor ailment but who has a hard-on that's lifting the bed clothes to the ceiling, needs sympathetic understanding and relief—desperately. If the nurse doesn't give it, then she's not doing her job and she's reneging on that "mercy" requirement.

Doctors and nurses alike are aware that any male patient makes a faster recovery when the nurse, noticing his erection, draws the curtains around his bed and gives him dedicated sexual therapy. As a nurse who profoundly believes in satisfying the male sexual urge, I often jack off an aroused penis-hard patient. I am perfectly entitled to "examine" him with my hands under the sheets. I squeeze his swollen balls with one hand and stroke his cock up and down with the other, and within seconds I can milk him and give him ecstasy.

You should see the look on my patients' faces when I've finished masturbating them! It's profound adoration. It gives me almost as big a thrill as the one I've just imparted to him. But if the nature of the male patient's ailment allows it, and the timing and privacy are right, I do much more than jack him off when it comes to relieving the stone-ache he's feeling through being cooped up in a hospital.

I suck his cock and stroke it for a few seconds to keep it good and stiff, then squat on it with my boobs dangling in his face. In that position he doesn't need to exert himself and perhaps disturb the stitches or fractures he might have. His cock is right inside my wet pussy and I move up and down gently and let him squeeze and kiss my hanging jugs.

I've had plenty of practice at this and I always time it so that we both come together in a terrific, mind-blowing shuddering orgasm. In that way I get some compensation for my dedication to the relief of urgent sexual yearnings in my male patients. They give me sexual pleasure in return.

Forget it if you think I'm a nymphomaniacal Florence Nightingale who ought to be fired in disgrace for violating hospital rules and regulations concerning professional conduct for nurses. I'll lay it on the line. Together with thousands of other qualified and experienced nurses who work their butts off inside our hospitals and honestly believe in helping patients get well, I think that satisfying the human sex drive should have top priority in therapy aimed at a patient's quick recovery.

This drive is obviously so strong—in women as well as men—that it seems unnatural for patients to be confined in hospital wards segregated sexually, and deprived of sexual relief to which they have probably become accustomed. Within reason, and subject to a doctor's consent, patients are expected to ask for and recover their health. But do those services and commodities include the relief of humankind's most urgent need: sex? Not on your life!

The minute a dude enters a hospital, whether for a short or a prolonged stay, he is deprived of every opportunity to satisfy his sex drive naturally. All he can do is use his hands and masturbate himself for relief. You would think that puritan ideas about not introducing sexual relief in hospitals would be thrown out, or at least modified. But it hasn't happened.

Sexual segregation in the wards is just as rigid as it was a hundred years ago. Administrators still bury sex under a pall of repression and prejudice. Doctors, fearful of risking their positions as reputable members

of the medical world, refrain from publicly endorsing ideas about sexual relief for hospital patients.

Only experienced nurses with the welfare of their patients always on their · minds, have dared to be liberated enough to do something about it. Many of them, like me, believe administering sexual comfort to my patients as one of my most urgent duties.

"I can make the patient without disturbing the bed" has become the proud slogan among hospital angels who believe in using sex therapy on their male patients to complement doctor-prescribed treatment. I have often been asked by the patient himself to bang him and give him fast, fast, fast relief.

A typical case was that of Johnny F., whose organ I had often admired on previous occasions when sponging him down or administering a massage. I said I'd be glad to, but because I had an unusually heavy patient load he would have to wait until I had

free time the following evening.

Johnny was a handsome guy, about 25 and rich. He was a racing car buff and had received head injuries in a crash, but from the neck down he was one solid hunk of masculine sex appeal. I slipped into his private room about 8 pm and found him naked in bed with the sheets flung aside. The moment he saw me his magnificent cock sprang upright.

"That is a beautiful sight," I told him truthfully, "and it could mean that you're well on the way to complete recovery."

"I'll have a serious relapse if you don't take care of it," he grinned. "I've been dying to fuck you ever since they carried me in here."

I made him wait a couple of minutes while I slipped out of my panties, and stood before him, my long legs apart and my hips thrust forward. He gazed at my downy thatch and wet pink slit, his eyes wide with healthy masculine lust "Baby, I can't stand it," he groaned, "You just gotta give me the treatment."

I bent over him and he seized my tits as I fondled his thick prick and huge balls. Then I lay down beside him and immediately his mouth moved down. When his tongue reached my cunt and stabbed inside I gasped with sheer pleasure. His lips and tongue lingered on the inside of my quivering thighs, and then slid up to the wet heat of my erect clitoris. I moaned, and began stroking the head of his penis vigorously as his muscular body lay across mine.

I moaned louder, and my hips began to oscillate wildly while my hand increased its friction up and down his dick. "Now, Johnny, now!" I gasped, pulling him down face-to-face on top of me and wrapping my legs around his waist, locking my feet together behind him.

Swiftly he thrust his throbbing love muscle right

His lips and tongue lingered on the inside of my quivering thighs, and then slid up to the wet heat of my erect clitoris. I moaned, and began stroking the head of his penis vigorously as his muscular body lay across mine.

to the hilt inside my wet love tunnel and I clamped down on that perfect appendage with my strong vaginal walls. He flung his injured head back in ecstasy as I squeezed his cock and started to thrust upwards, hungry for its entire length. He thrust back and we plunged into the frantic rhythm of unrestrained sexual fusion with Johnny pounding and plunging against my hidden anvil and me rearing to meet him with unrestrained lust.

Suddenly he reared back again and shattered the stillness of his private room with a shout that echoed off the walls. His hot cum scorched my membranes and I came myself magnificently as he shouted, "Oh, baby, oh! I can't stand it! God, you're the best fuck I've ever had!"

"Chill!" I urged him, gasping with pleasure myself. "You'll have an army of interns in here, hollering like that."

"I can't help it," he moaned. "You've drained me dry and it was terrific."

Johnny and I enjoyed the same sex solace treatment three more times before he was discharged as "completely cured," days before the doctors had expected him to be well enough. We lusting hospital angels discovered early in our nursing careers that if you give a guy a little something whenever he needs it, you will go a long way towards boosting his will to get well.

Stories about nympho nurses abound, and many of them are true. We are assumed to be wizards at deep-

throating, cock-and-ball massage, and hot 'n' heavy screwing. We are supposed to be capable of brewing amorous enchantment with secret vials of sizzling sexual knowledge, and to be expert in squeezing the maximum of pleasure out of fucking that would make the most skillful hooker seem inept.

There are stories that nurses jump into just about any bed at the first drop of a thermometer or rise of a hitherto droopy dick. There are some really wild stories about nurses' sexual acrobatics with girl-hungry young doctors, and even truly amazing stories about nurses' affairs with each other!

Just why does the prospect of sex with a nurse make the average male wet his lips with lascivious anticipation and jack himself off under the bedsheets? Let's put "Mr. Smith," the typical lip-wetter and cock-rubber, under the microscope and see.

Mr. Smith, in his mid-twenties, is admitted to a hospital for an emergency appendectomy and during his convalescence has his first contact with nurses. Each evening a sexy redhead comes in to rub his back, a routine chore usually done at bedtime so the patient may rest more comfortably.

Now if a patient is young (that is, under 80 and horny), a back rub confined to that area by a sweet-smelling nurse can be a very pleasant affair. Doctors and nurses understand this, but Mr. Smith is inclined to take a more personal and fantasizing view.

The slow caressing rhythm of a nurse's hands often acts as a trigger for strong erotic impulses. And if the nurse allows her hands to stray slightly around the hips towards the lower abdomen, Mr. Smith's sexual libido soars off into the wild blue yonder. "Man, oh man," he thinks, "these nurses crave cock and this beauty wants to grab mine and suck it. This isn't a back rub—it's a prelude to sexual service."

Sure enough, the next morning the redhead comes in to give Mr. Smith a bath. What could be more sensuous? To be bathed and anointed by a fair young maiden while lying supine with one's aroused sexual artillery only inches away from her luscious lips! It's dream stuff straight out of the Arabian Nights.

What actually happens is that the nurse whisks away his hospital gown so that Mr. Smith is lying under the sheet as naked as a jaybird, tense with sensual anticipation. The warm, fragrant ablution begins.

She tenderly washes his face, ears and neck like a doting mother. She bathes his chest, arms and back. She rubs his hairy legs from toes to thighs and even right up to his crotch. As the bath proceeds, Mr. Smith acquires a massive hard-on and a distinct urge to splurge.

"Will she?" he wonders. "Surely she's going to. Oh God, if she doesn't grab my straining prick and cram it into her mouth I'm going to blow my wad right through this sheet and on to the ceiling."

What actually happens is that the nurse whisks away his hospital gown so that Mr. Smith is lying under the sheet as naked as a jaybird, tense with sensual anticipation. The warm, fragrant ablution begins.

The redhead gives him an angelic smile and hands him the washcloth. "You can do the rest yourself," she murmurs, and stares with unabashed amusement at the now tent-like contours of the sheet supported by Mr. Smith's pole. Then she bustles away.

But long after Mr. Smith has left the hospital he remembers the exquisite touch of the nurse's hands and fingertips, and she becomes inextricably and delightfully related in his mind with thoughts of thrilling sex. She prances naked through his wet dreams, enticing, skillful, shameless, and ever-loving.

Mr. Smith cannot be blamed too much for this. His ego tends to blind him to the impersonality of the nurse's ministrations. He misinterprets her flirting and isn't aware there is nothing of greater therapeutic value than a little sexual teasing. For example, had Mr. Smith's case been more serious, or were he, for one reason or another, in deep melancholy, the redhead might, after rubbing his back, inquire brightly, 'Want me to rub your front?"

While Mr. Smith ponders this question, wondering just how far south of the border "front" extends, she pats his rising penis lightly and is gone. Unless Mr. Smith is really in a bad way this tends to make him feel life can be beautiful after all.

At some point in almost any male patient's convalescence, he stops seeing his nurse as an impersonal

ministering being and becomes aware of her as a sex object. The lustier patients find it harder and harder to resist reaching for the tempting tits of the angels in white who bend over them so solicitously. A little tit fondling, a pinching of the buttocks, a gentle squeeze above the knee, what's the harm?

Nevertheless the connotation of the word "nurse" implies a promiscuity that's unmatched by any other female profession except the oldest. This libidinous public image stems in part from popular writers, who seem to delight in ascribing chameleon-like charms to the nurse. She's cool, starched, and impersonal by day, unstarched to the point of nymphomania by night. Indeed, if one is to accept as true the sexual goings-on in doctors-and-nurses novels, movies and tv shows, one can only conclude that all nurses fuck around sexually on the job as much as off.

It is a treasured piece of folklore—especially in the

minds of males from 16 to 60—that nurses, by virtue of their profession, are antiseptic sex kittens equally at home in the operating room or under the sheets.

While many cranky, older nurses have bodies like hat-racks and battle-axe faces, and rarely are propositioned by even desperate male patients, any nurse under 35 with an average figure is fair game from almost any man in her care.

According to the mental gymnastics of one psychiatrist, the nurse's sexual eagerness stems from the sense of mortality that lurks constantly in hospital corridors. People who work in an atmosphere of sickness and death, he says, need always to prove to themselves their own healthiness and vitally. And what better way to accomplish this than through sexual activity?

Almost all women outside the medical and hospital fields look with flaming green eyes at nurses. Many a wife has bitten her nails to the quick while her husband is in the hospital, worrying whether the line of nurses seeking his sexual favors forms on the left or the right.

My own first fuck inside a hospital was with a fledgling surgeon named Mike, an ex-football player with the sexual equipment of a stallion. I was in my second year of nursing school, but while playing tennis on the grounds I had pulled my Achilles tendon. Mike took care of me, planting me in a small private room, and being so gentle and sympathetic that I almost orgasmed under his touch. All student nurses have terrific fantasies about being nailed by doctors, and I was no exception.

I trembled with unabashed desire after he fixed my tendon and suddenly began caressing my breasts. I made it easier for him by slipping out of my hospital gown and lying on the bed completely naked while he slid his fingers lovingly down to my belly, into my pubic

Many a wife has bitten her nails to the quick while her husband is in the hospital, worrying whether the line of nurses seeking his sexual favors forms on the left or the right.

hair and onto my throbbing nubbin. He rubbed the sides of it with his moist thumb and forefinger and I orgasmed right there, pleading with him to continue.

He didn't. He stood up and undressed right down to the buff instead, and his erection was one of the most perfect I have ever seen, long, beautifully curved, and crowned like a lovely hammer. His balls too were anatomical gems, big and hairy and pleading to be massaged. I reached for them and obliged.

A moment later he opened his legs and gently mounted me, his rigid organ probing my generous entrance. He flicked the head of it against my clit and rubbed until I came again, moaning with sheer delight. Then he fucked me, nice and gentle at first but faster and more urgently as he rushed towards his climax. As he exploded, he fastened his lips to one of my nipples and I raked my sharp fingernails across his muscular buttocks, intensifying the pain-pleasure we were both soaking up. We orgasmed in perfect harmony and held onto the mutual ecstasy for a full minute.

It took us 15 minutes to recover, but wrapped up in Dr. Mike's arms with his hand on my cunt and mine squeezing his balls it was heaven incarnate.

Ever since then a hospital has been my favorite place for uninhibited sex. And like many other nurses, I have developed this "sex-service syndrome." It's a feeling that because we're under oath to help others we are cheating the male patient if we don't answer his plea for the reduction of his sexual discomfort.

That's why pacifying Percy is the natural thing to do for many a dedicated Lady of Mercy.

ROSE MONROE

Rose's day in the sun was interrupted. That's just what she was hoping for. She never would have imagined that she loves to get her very tight ass fucked by a hard cock. No hesitation for her because when the cameras start rolling her pussy is soaking wet and begging to be stuffed with dick. But wait, that's not enough because her pert anus is begging for a stuffing! Fortunately for all involved, she obliges!

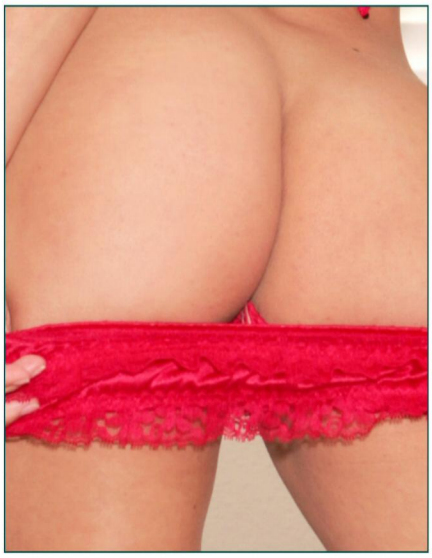
Fuck Attack

"Oh my god!" The curse exploded from the office next door to mine, and I grinned. Maribel, my sexy assistant, was having one of what I liked to call her little "fuck attacks." Completely overcome by uncontrollable sexual urges, Maribel counted on me to take care of her little "problem," and I knew I was about to get very, very lucky.

I met her at her office door just as she was rushing out, her black hair flying and her brown eyes wild. Without a word she took me by the hand and practically dragged me down the hall and out into the bright July sunshine. We ended up in an alley around the corner. We hadn't gone but a few steps when I found myself pinned to a brick wall by her curvaceous body. She grinned at me as she ground herself against me. I was ready to fuck her right then and there, but she stopped me when I reached for her cunt.

"First," she said, her fingers reaching toward my crotch, "I need a little…how do you say?… ah, yes…appetizer."

And with that she freed my stiff rod and squatted down in front of me, her skirt riding high up on her stockinged and gartered thighs as she took me in her mouth. Maribel was an accomplished cocksucker, and I groaned at the first touch of her tongue on my swollen head. No stranger to the art of tease, she lapped at my slick



crown before delicately sliding her tongue around the underside of my bulging head. Her fingers were already busy with my balls, and I groaned as she rolled them gently in her experienced hand.

I was desperate for her to take more of me into her mouth, so I twined my fingers into her hair, trying to force myself deeper. But Maribel knew exactly what she wanted, and she was taking her own sweet time.

She looked up at me and

winked. "Delicious!" she murmured, nibbling on the stretched skin. She languidly licked up and down my throbbing shaft while her fingers trailed farther back, headed toward my asshole. She finally inhaled my cock into her wet mouth just as her finger touched my sensitive pucker, and I groaned again as my shaft slid in deep and her finger probed my hole. The feel of her poking at my most private spot spurred me on. I began to fuck her soft depths with long, sure strokes as she eagerly sucked at my raging cock.

She was groaning, too, then, and I could see her fumbling under her skirt, desperate to pleasure herself as she pleasured me. I knew that she must be dripping by now. The thought of her steamy cunt was almost enough to make me come right then and there, but I thought about plumbing her depths and knew I wanted to wait. It took every ounce of will I had, but I pushed her wet mouth off my cock and brought her to her feet.

I kissed her hard as my hand slid up under her skirt. Maribel, as usual, was wearing no panties, and my cock twitched as I encountered the sloppy wetness of her cunt. She pushed against me as my fingers slipped and slithered over her hairy mound, and then whined when I found her clit, swollen and hard.

"Mother of God!" she whispered, her voice thick with passion as I rubbed her sensitive nub.

She ground herself against me as I diddled her, mashing her tits into my chest and pressing her thigh against my hard cock as she writhed under my touch.

Much as she liked having her little clitty diddled, though, Maribel liked getting fucked better. After just a minute or two of clit-flicking, she squirmed away from my probing finger and turned herself to face the brick wall. She looked back at me with hooded, come-fuck-me eyes, and her need was obvious. Her luscious ass stuck out toward me, wiggling invitingly. In no time, I'd flipped up her skirt and pulled her sopping wet panties to the side, exposing her hairy hole.

Without hesitation, I plunged my rod deep into her willing cunt, and she moaned as I filled the tight hole. She had one hand on her clit again as I began pumping her hot box, and her moans filled the air as she squirmed under me. I grabbed hold of her voluptuous ass-cheeks and slammed into her again and again, my balls slapping wetly against the exposed flesh of her cunt.

"More! More!" she whined, "Give me more!" She shoved herself back onto my cock with each stroke. I stepped up the pace till I was pistoning in and out of her box, the sweat pouring off both of us. Her words became less and less intelligible until, with a high-pitched whine, her cunt closed like a vise around my swollen cock. She bucked against me as she came, and it was all I could do to hold on as I continued to spear her spasming cunt.

One more deep thrust and I was over the edge too, my cock

exploding into Maribel's still-quivering cunt. I cried out as she jammed her ass into my groin, taking me deep into her fleshy cave. Pumping hard, I filled her up with my cum until it was dribbling out of her as I thrust deeply into her for the last time.

With a satisfied little giggle, Maribel turned around and readjusted her skirt. She put her finger to my lips in a gesture of silence, and I could smell the thick scent of her cunt-juice. It was enough to set my cock twitching again,

but with a final satisfied smile, Maribel was gone. Her lush ass jiggled under her short skirt as she turned the corner back out into the street.

Isn't life grand?!

Butt Slutt

I like it up the butt. Yeah, I know, plenty of girls don't, especially those pansy-ass girls. But what can I say? I'm not one of them, and I'm happiest when I've got a boyfriend who'll give it to me doggy style.

Roberto, my main squeeze, is only too happy to give me what I want. He tells me I have the fattest, juiciest ass of any chick he's ever fucked and he loves to ram his fat dick up my back door. I always let him, too, because he knows how to do it just right.

He likes to start out nice and slow. First, he gets down between my thighs so he can lick my hot little pussy. He likes it when I shave my mound, and I love the way the hair from his mustache tickles my fat lips. He spreads my legs wide and uses his fingers to open me up. My swollen nub always pokes its way out of its little hood so he can munch on it.

In addition to being a great ass-fucker, Roberto is also a master pussy-eater. He licks me all over, from my swollen little clit to my wet hole. He teases me with his tongue, flicking just the tip of my little nub till I beg for more. He nibbles and licks and sucks until he's got me half crazy, wanting to come. Then he starts fucking my pussy with one finger while he's

lapping at my clit, and pretty soon he lubes up another finger with my pussy juice and shoves it deep into my asshole.

He keeps it up, licking and fucking and sucking until I can't take it any more. Then, when I'm screaming and squirming under him, he gives it to me hard. His tongue attacks my clit, and his fingers fuck me till my pussy gushes and I'm coming all over him. He loves to make me cream, and he keeps pumping in and out of my brown hole till I'm finally done and my clit has stopped quivering under his tongue.

By then I always want it real bad. I'm ready to have him stick that fat cock deep inside my ass. And Roberto is always ready then, too. He loves eating my pussy almost as much as he loves fucking my big ass, and by the time he's made me come, his cock is rock-hard.

He turns me over, and I eagerly get up on my hands and knees, practically begging him to give me his big one. But first he always likes to give my ripe-and-ready asshole a little tongue-lashing.

He spreads my cheeks wide, and his thumbs massage my hole before he goes ass-diving.

His tongue on my crack always makes me shiver, and by the time it pokes into my hole, I'm ready to come again. But I wait till his fat cock is spearing my asshole, so I diddle myself while he probes that pointy tongue as far into my butt as it will go.

By this time, I'm half crazy with wanting him inside me.

"Fuck my culo!" I scream at him. "Give it to me in the ass,

Roberto!" I don't have to ask him twice.

His cock, slick and greasy with my gushing pussy-juice, probes my asshole, and I squirm against it, trying to get him to shove it in. When he finally does, slapping his balls hard upside my pussy as he fills me up, I scream again. Some guys can't handle how loud I get when I'm being fucked, but not Roberto. He says he likes to hear me scream. He says it makes him even hotter.

And it must be true, because he fucks me harder the more I yell. He pounds me so deep I feel like I'm going to burst, pulling his cock almost all the way out before plunging his way back in again. Soon he's yelling, too, as

he pounds away at my back door. The whole time, I'm bucking myself up against him as hard as I can, trying to take even more.

My fingers are slipping all over my swollen clitty. and I come again with his cock buried deep in my ass. Roberto keeps fucking me as I explode. I know he likes this part, when I'm out of control and taking it up the ass. He's got his hands on my cheeks now, and he's holding me tight while he pumps.

He starts to grunt while he shoves it in, and I reach down to grab hold of his swinging balls. I squeeze on his big cock, too, as it pulls out of my tight little hole. I can feel him opening me up wider with each stroke and press myself against him. It sends him over the edge when I start to finger his hairy sac, squeezing just a little every time he plows into me.

I can feel his balls quiver in my fingers as he shoves deep into my ass, spewing his cum inside me. I can feel it squishing inside my canal as he pumps me full of his hot juice. With one last shove he squirts the last of his load, and then we both collapse, sweating and satisfied.

Of course, half the time he starts licking at my pussy and we do it all over again. Roberto says the Anglo girls he's fucked never liked it more than once, but I like to do it till we can't do it anymore. As long as he's willing to stick that fine cock up my butt, I'm more than willing to take it. Sometimes he whines that he never gets any pussy, but once I spread my cheeks for him, he doesn't seem to mind!
